

Screens & Ceilings

Wave

An appealing shape, the Wave Panel can be hung three different ways for three unique looks. Hang from the short end for a long banner, overhead from all four corners to create a canopy, or horizontally to create a dividing wall.

With a lightweight **snap together frame** and easy to **zip on fabric**, the whole structure takes on 20 minutes to build from start to end.

Full Colour Print for strong branding

Three hanging options for maximum versatility, from signs to ceiling canopies

Supplied with full instructions and hard wearing bag for re-use
